	Food Roll-Up		Picture Day	

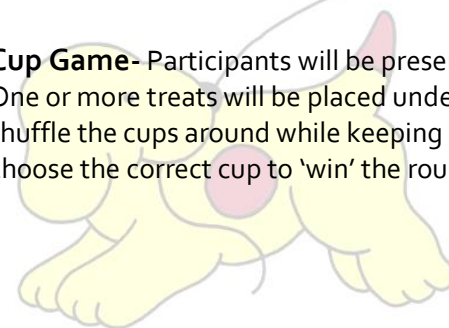

Enrichment Activities

Food Roll-Up- This crowd pleaser is back! Pups will be presented with a treat-filled rolled mat. Participants will have to unroll the mat to retrieve the treats.

Thinking Puzzles- Scout favorite activity is back with new puzzles to enjoy! Participants will be introduced to one of many food puzzles. Each puzzle requires a different set of skills in order to access the treats.

Ball & Tin Game- Dogs will be introduced to a muffin tin with different dog safe objects in each muffin slot. Treats will be placed in random slots under the objects. The dog must sniff out the treats and figure out how to move the object to get their reward.

Cup Game- Participants will be presented with 2-4 upside down plastic cups. One or more treats will be placed under one of the cups. A staff member will then shuffle the cups around while keeping the treats hidden. Participants will need to choose the correct cup to 'win' the round.
